The Afghan community has around population of 30,000 people in the Bay Area, and is spreading mostly in places like Fremont, Newark, Hayward, and Union City. The Bay Area contains the biggest overseas Afghan Diaspora community. A year ago in 2012, pastor Abraham from Canada started his ministry to serve the Afghan people in Fremont and nearby areas (table 9). Please, pray for him and support the first Afghan church in Nor Cal so that it may become the source of many blessings for Afghanistan and Muslims around the world!
